Success Story: The "Know Your Symbols" Campaign!

We are proud to announce the successful conclusion of our digital awareness campaign, "Know Your Symbols"!

A massive thank you to SMaRT's incredible network of creators who brought this initiative to life. Through engaging Myth vs. Fact reels, interactive quiz stories, and educational carousels, we illuminated the profound cultural significance behind traditions like wearing Kalawa, applying Tilak, and ringing temple bells.

Krishna Prabha Thi Tamil

Vanakkam,

On behalf of Thi Tamil, we express our heartfelt gratitude to the SMaRT Bharat organization for providing support towards our Studio Setup.

We have utilized the financial assistance provided by SMaRT Bharat in a well-planned manner for the development of our studio. Specifically, this amount was used for things required to create high-quality video and news content, including the studio background setup, lighting arrangements, microphones and audio accessories, camera support equipment, and materials for editing and recording needs.

With these studio facilities, we are now able to deliver content related to politics, society, public issues, and awareness to the people with greater clarity and quality. Your support has taken our operations to the next level.

Thank you once again for your trust and for this socially responsible support. We will continue to carry forward responsible, useful, and people-centric media work in the future as well.
